### Stakeholders Engagement

On 8 January 2019, IEC held a meeting with political parties and civil society organizations to discuss the challenges of the use of technology, particularly BVV devices, in next elections.

IEC Chairman provided information on the reform plan that IEC has undertaken that will review the structure and administration.

During the meeting, IEC technical team presented weakness and strengths of the use of biometric and gathered feedbacks and suggestions from the audience.

Most stakeholders attending the meeting agreed on the use of technology in next elections, however they highlighted the need of some improvements. IEC leadership confirmed his engagement to respects stakeholders' views while preparing a comprehensive proposal on BVV use.

### Tally Process
