

Islamic Republic of Afghanistan
Independent Election Commission

Procedure on Implementation of the Decisions of Electoral Complaints Commission

Basis:

This procedure has been compiled for the purpose of explaining that how the decisions of ECC with respect to publishing and announcing final results of Wolesi Jirga elections are implemented.

ECC Decisions:

Article One:

Official decisions of the ECC shall be sent to the IEC signed only by the chairman of the stated commission.

Responsible Authority:

Article Two:

The IEC secretariat is responsible for recording and filing the decisions of the ECC and for further processing, they shall be referred to the Legal Dept of the IEC.

Implementation Process of ECC Decisions:

Article Three:

- The Legal Dept, after studying and considering, shall record and file them in separate files.
- The Legal Dept shall evaluate decisions of the ECC with reference to any of provinces of the country by making use of the following angles:
 - ❖ Whether the cases regarding which the ECC has taken its decisions have been recorded with the Legal Dept or not?
 - ❖ Whether codes of polling centers and stations have been recorded correctly or not?
- In case of ambiguity and difference, the Legal Dept is to keep in touch with the ECC for the purpose of obtaining the necessary information through the focal point.
- In case that the ECC decisions are based upon recounting or correcting the results (based on copy of the result form inside the box) of a polling center or a polling station, the Legal Dept through the Field Operation Dept of the IEC shall put into practice decisions of the ECC after they are confirmed by the Commission.
- The Legal Dept after ensuring the verity and untruth of decisions of the ECC concerning any of the provinces of the country through separate schedules along with the decisions and after confirmation by the Commission, shall send

them to head of the IT Dept of the IEC for implementing and correcting final results in database.

- The IT Dept, after implementing and correcting in accordance with decisions of the ECC in the result of elections of each province in the database, before publishing and announcing them on the website of the Commission, shall record the corrected results of each province on a CD separately and send them to the Legal Dept for re-evaluation purpose.
- Legal and External Relations Depts shall check and evaluate the verity and untruth of the ECC decisions implementation in the final results of elections by the IT Dept in line with the decisions of the Commission.
- In the event of correct non-implementation of decision of the commission, the subject shall be again referred to the Legal Dept for the correction purpose; in case of correct implementation, the Legal Dept shall present the final results to the Commission for certification purpose.
- The election final results will be officially announced on the website of IEC after they are certified by the Commission.

Enforcement:

Article Four:

This procedure, after its approval date by the Commission, can be entered into force.
